Know what you need.

U.S. passports, U.S. visas and overseas entry documents. Begin with the issuing authority; choose optional application support afterward.

U.S. passport | Department of State

Apply, renew or replace. Check required documents, official fees and current processing options.

https://travel.state.gov/en/passports.html

U.S. visa | Department of State

For foreign nationals traveling to the United States. Select the category that matches your purpose. U.S. citizens do not need a U.S. visa.

https://travel.state.gov/content/travel/en/us-visas.html

ESTA | U.S. Customs and Border Protection

Check eligibility and apply through the official portal. ESTA is a travel authorization, not a visa.

https://esta.cbp.dhs.gov/

Brazil | Official eVisa portal

Review eligibility and application instructions. This official service is operated by VFS Global.

https://brazil.vfsevisa.com/

Israel | Government ETA-IL information

Check the official authorization route for your nationality. Review current safety advice before booking.

Ready to get started?

Have your passport nationality, destination, travel dates and purpose ready. Confirm what is included, how documents are handled, all fees and the cancellation terms. No private provider can guarantee a government decision or processing time.

About these services

The companies listed are private businesses offering travel information, application preparation and related support services. Services, availability and fees vary by provider. Private charges may apply in addition to official fees. Government authorities issue travel documents and decide applications. You may apply directly through official channels. Review each provider's service scope, total costs, privacy practices and terms.
